WHO's WHO in the CAST

Madelyn Sams (Violet Newstead) - Maddie is excited to cap off her senior year with "9 to 5", where she takes on the role of Violet! Prior to 9 to 5, she was in many other Chartiers Valley shows like "Mary Poppins" as Mrs. Brill, "Fame" as Ms. Sherman, and "Young Frankenstein". Her CV Theatre career started in the second grade in the high school's production "Joseph and the Amazing Technicolor Dreamcoat". The following year she was cast as Chip in "Beauty and the Beast", and also performed in "Les Miserables", all before heading to middle school! Outside of theatre, Maddie participates in the National Honors Society, Best Buddies Organization, is the manager of the CV Girls Volleyball team, and was selected to serve as a part the CV Athletics Student Advisory Council. Last season she won the WPIAL Championship with the Char Valley Girls Lacrosse team, the first in school history for CV lacrosse. Next year, she will continue with her academic and lacrosse athletic career at Notre Dame College, where she will study education with the goal of being a teacher and coach. She wishes to send her heartfelt thanks to the booster organization for their time and effort each year, and her amazing cast mates for working so hard to bring this show together. To all of the other seniors, thank you for all of the memories and best of luck to you all with your future plans. To her family, thank you for all your support over the many years of theater. To Em and Alec, thank you for paving the way and supporting me from second grade on. Finally, to Dustin and Mrs. Giffin, this show would be nowhere near as amazing if you guys did not dedicate your time for us, and for that...thank you!

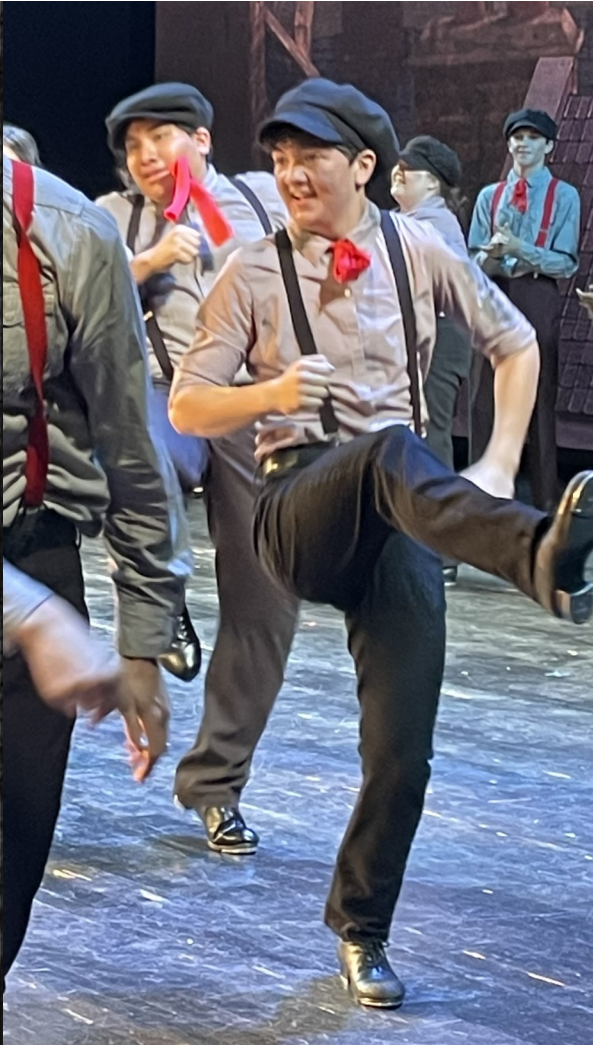

Allie Cottom (Doralee Rhodes) - Allie is a senior in her final year of CVTheatre productions. This is her fourth spring musical and she is ecstatic to take on the spunky role of Doralee Rhodes for you tonight. Some prior roles include the Narrator in "Puffs", Winifred Banks in "Mary Poppins", Serena Katz in "Fame", and Molly Aster in "Peter and the Starcatcher". She also co-wrote and directed the Murder Mystery fundraiser show back

in October. Allie is proud to be co-president of CV's Thespian Honor Society chapter. She would like to thank her family, especially her mother, for the hours put into the show and drives to the school, and her voice teacher Caitlin for the unwavering support since 7th grade. She also thanks Giff for giving her new ways to grow and a second home in the theatre, Paul for the laughs and 'harmonic soup' moments, Dustin, Alec, and the rest of the technical crew and costume moms for their efforts in the show. She has so much love for this program and the people in it, and while sad to say goodbye, looks forward to new horizons. Allie plans on studying history and education next fall. For one final time, she thanks you sincerely for coming and supporting the show, and invites you to laugh right along with the employees of Consolidated Inc.!

Alaina Halbleib (Judy Bernly) - Alaina is a senior this year and could not be more excited to be playing Judy in her final high school show! She's been a part of the program since 6th grade and is currently co-president of the Thespian Society. Some of her favorite past roles include Prentiss (Peter and the Starcatcher), Grace Lamb (Fame), Mary Poppins (Mary Poppins), and Megan Jones (Puffs). She'd like to send a huge thank you to her fellow cast and crew for creating such a home for her the last four years. To Mrs. Giffin and Paul for all they do and for always believing in her; to Dustin, Alec, and Matt, the costume moms and everyone else in between, thank you. She also could not have survived all these years without the endless love and support from her family, friends, and voice teacher, and an extra special thank you to her mom for always being her biggest fan. Though it is a bittersweet goodbye, Alaina is beyond grateful for everything this program has brought to her throughout high school. After graduation she plans to study multimedia at a four year university with a minor in theatre. She'd like to thank you all one last time for coming and hopes you enjoy the show!

Asher Scalise...
 You make us proud at

 not just 9 to 5!

Finally, she needs to express endless gratitude to her parents and grandparents for always supporting her and her love for the arts, and especially her mom for always encouraging her to stand up for herself, and for whom she owes her love and exposure of theatre to. Bailey Kochin (Ensemble) - Bailey is a junior at Chartiers Valley High School and she is very excited for this year's musical "9 to 5". Bailey has been doing theater since 7th grade, took a break freshman year, but realized she missed it and came back to it. She started as an ensemble in "Seussical" and "Addams Family". In high school she was ensemble for "Mary Poppins" and got to play Susie Bones in the fall play "Puffs". Bailey enjoys theater and spending the time with all of her friends that she makes within the productions. She is so thankful for her teachers, Mrs. Giffin and Paul, who take care of everything very well.

Rachel McDade (Ensemble) - Rachel is a sophomore and although this is her first musical, Rachel can be found under Friday night lights performing as a majorette during the Fall. She is excited to be a part of the musical with her friends. Rachel would like to thank her wonderful cast members and crew.

Aislinn Myrah (Ensemble) - For her first spring musical, Aislinn is thrilled to take part in the spring musical this year as a sophomore. With previously taking part in the middle school and high school musicals and fall plays, Aislinn is delighted to be joining the cast this year for 9 to 5. She's always had a love for music, especially oldies, so anything Dolly Parton is right up her ally! Playing "Max the Dog" in Seussical as well as having a featured part in last years' fall play "All Together Now", Aislinn is super excited to create another production with such an amazing cast. As a part of Spanish club, STUCO, Social Committee for 2025, NHS, and the CV Girls Lacrosse team, Aislinn's future is planned for big dreams of becoming a future nurse. She hopes to become a helpful medical professional while still keeping her love for music and dancing intact, and hopes to continue to partake in the next musicals and plays to come. She'd like to thank Mrs. Giffin for being such an amazing director, her amazing cast, the incredible crew, and the amount of support she's gotten from all of her friends and family. She can't wait for you to see the show!

River Scheib (Ensemble) - River is a junior this year, performing in their 8th show with CVTheatre and also actively participates in Showband/ Concert Band, Chorus, and is a member of CV's Thespian Troupe 2402. River says they love the performing arts because it allows them to be themselves and feel free to express themselves while also getting to be around people who share the same passion as them. River's favorite memory from theatre is getting the opportunity to perform at the Gene Kelly Awards last spring and their first Thespian conference. They would like to thank their family for always supporting them and dealing with them always rehearsing at 2am and their fellow cast and crew mates for always encouraging them to do their best and being like a 2nd family. As well as making their high-school shows so memorable. They also want to thank Mrs Giffin, Paul, and Dustin for bringing the shows together. Lastly, River would like to thank their voice teacher, Caitlin for helping them improve and be confident in themselves. Without further ado, they hope you enjoy the show!

Autumn Schwiederowski (Ensemble) - Autumn is a sophomore who participated in stage crew for last year's musical. She likes to paint, read, and cook. Her favorite part of the musical is the dancing, and she hopes everyone enjoys the show!

Your senior class had a “unique” and challenging start to high school to say the least, but yet you’ve shown admirable perseverance and resiliency. You all make me proud beyond words when I look back and reflect on your growth and I am honored to have been a part of your high school journey.

From your first fall show Pippin to creating the first Thespian Murder Mystery, your passion and dedication to CVTheatre and to this program has been unrivaled. Thank you for sharing your passion, for working as hard as you do, and for inspiring those that follow in your footsteps.

Nothing will make me prouder than to see you move on, chase your dreams, and change the world as you have mine. If you take nothing else away from your time in the program, remember, NO DREAM IS TOO BIG - anything can happen if you believe in it and work for it.

Director's Notes

Special Thanks to:

- My mother, Sand Scalise, for her never-ending support throughout my entire life in every venture I took and interest I had. Her contributions to CVTheatre and the students of the program were endless from my freshman year in high school until her passing last year. She is an irreplaceable part of the program and will be deeply missed. Even though she may be gone, for years to come there will be costumes and pieces she made scattered throughout the productions as her contributions continue to give back throughout the years.
- Daddio- thank you for still being my #1 supporter to this day. Since I can remember you have always been to every performance, no matter how small or how large and I couldn't ask for more. Thank you for home-cooked meals when we're crazy busy and for playing chauffeur anytime we need help with the boys.
- Dustin Giffin , Paul Yeater, Alec Kinslow, and Matt Efthimiades for your dedication to this show and to the students. Without you, your passion, and the countless hours you put in, this production would not be possible. Thank you for dedicating yourselves year after year to the rigorous artistic process of producing a high-quality show on a tight budget and in a small time frame. I sincerely could not ask for a better team of people to work with.
- CVTheatre alumni Dustin, Alec, Matt, Hannah, Georges, Chris, Austin, Tommy and so many more over the years - Thank you for still being a part of our program. Your involvement is a testament to why we do what we do and the strength of community that is built through theatre.
- The entire cast and crew for all of your hard work and dedication throughout the process. As always, every year brings with it new challenges and this year is no different, but you have all risen to the occasion, from learning tap to dancing while turning in circles for a start. Your efforts and sacrifices do not go unnoticed or unappreciated. I am so immensely proud of all of you.
- The dedicated group of "Costume Moms" for always being there to help in any way you can year after year through every up and down. I am eternally grateful for everything you do for the production, the program, and the students. Your support makes everything we do possible.
- My in-laws for always being there. We are sincerely grateful for all that you do for both us and our children. No amount of words can add up to our appreciation for all you do.
- Giffin Interior for your contributions year after year to our program and your support for the arts and CV Community.
- Nancy Bosi and Chris Doherty - thank you for being nothing but helpful and patient. You are the backbone that holds this building together and we appreciate you and everything you do more than you know!
- Amber, Heather, Keith, Ryan, and the entire maintenance staff for not only always being willing to help us with anything we need, but being understanding of our long hours and the messes we create.
- Anyone who is attending tonight in support of the arts, CVTheatre and our incredible students. It is because of your support we are able to offer our students opportunities to perform and express themselves, which is important now more than ever.
- To anyone that reached out a helping hand in the final moments when we needed you most - you might not be named in the program, but your help does not go unnoticed in the last weeks before the show - our greatest time of need. Many thanks to all of you who give that extra bit more of your time for the production.
- The community for continued support and interest in CVTheatre and the Musical Theatre Program
- All members of the Chartiers Valley Thespian Boosters (previously CVPPA - Parents for the Performing Arts) for your continued support of our students from concessions to backstage to everything in between.
- The Pittsburgh CLO and the University of Pittsburgh for sponsoring the Gene Kelly Awards. Their continued support of the arts in schools is greatly appreciated.
- Speedpro Imaging for their help in advertising for our production.
- Lastly my family - Jameson, Greyson, & Dustin - thank you for always being supportive and a part of everything I do. I know it isn't always easy, and some days are better than others, but I appreciate all of you more than you know. Thank you for the love and support you give endlessly.

Jameson Matthew

From the stage to the golf course to the football field, we are all so proud of you.

Never forget, if you look hard enough, you'll see Nona standing in the back clapping for you and smiling at EVERY performance you do - no matter where it's at. She would be so proud of you, too.

Love, Mom, Dustin, Greyson, & Chief
